

Humble Me

Music and Lyrics by
Greg Chastain & Mark Linford

Lord please Humble me
To accept the things that I cannot change
Oh Lord humble me
With the power and the glory of Your Name
Let Your love
Flow right through me
Heal my heart
With love and grace
Oh Humble me
Oh Lord Humble me

I pray humble me my Jesus
I pray humble me my Jesus
I pray humble me my Jesus
I pray

Lord please Humble me
To accept the things that I cannot change
Lord please humble me
With the power and the glory of Your Name
Let Your love flow right through me
Heal my heart
With love and grace
Oh humble me Yeah!

I pray humble me my Jesus
I pray humble me my Jesus
I pray humble me my Jesus
I pray

Lord please Hum-ble me

Let Your love flow right through me
Let Your love flow right through me
Let Your love flow right through me
Let Your love flow right through me
