

# We Want More Of You

Music & Lyrics by  
Greg Chastain & Mark Linford

We want more of more of You  
We want more of more of You  
We want more of more of You

More than just blessing  
More than just power  
Only You More of You  
More than just blessing  
More than just power  
Only You More of You  
More than just blessing More than just power

Let your glory  
Let your glory  
Let your glory  
Shower our hearts

Let your glory Let your glory  
Let your glory Shower our hearts with love  
Let your glory Let your glory  
Let your glory Shower our hearts with love  
Let your glory Let your glory  
Let your glory Shower our hearts with love
